## History of Experience

### **Nocme Technologies Pvt Ltd //** Novmeber 2016 - Present

[www.nocme.com](http://www.nocme.com)

Creative Lead

Nocme Technologies is a Managed IT Service and Solution Provider with accumulated experience in delivering services to clients across the globe. I joined as creative lead and handling every types of creative designing.

### **Techmart Solutions Middle East DMCC //** June 2014 - October 2016

[www.techmart.solutions](http://www.techmart.solutions)

Design Lead

Techmart Solutions is a leading provider of data management, analytics and business intelligence solutions in the Middle East. I joined as design lead and handling innovative digital design solutions such as websites, mobile applications, social media etc. for top most clients based in Middle East.

### **Flip Media Pvt. Ltd. //** March 2010 - May 2014

[www.flipcorp.com/en](http://www.flipcorp.com/en)

Web/Interactive Designer

My first experience with purely Digital/Web agency. Leading digital experience design across web, mobile, digital, data visualization, and social media platforms. Worked on projects for some of the big and versatile clients based in Middle East.

### **Gridzone Software Solutions Pvt. Ltd. //** January 2008 - February 2010

[www.gridzoneindia.com/](http://www.gridzoneindia.com/)

Web Designer (Project Leader)

It was my first footsteps into the Technopark, TVM (Most lively IT Campus in India). I joined here as web designer, later got promoted to 'project leader'. Here I worked closely with the client servicing team which was a good experience.

### **CRS Technologies India Pvt. Ltd. //** January 2007 - December 2007

[www.webcrs.com/](http://www.webcrs.com/)

Web Designer

This was my first leap into corporate world of IT Industry & designing professionally. I could work for so many static websites (both designing and HTML) and graphic works simultaneously.

### **Chithira Graphics //** December 2004 - December 2006

Graphic Designer

I started my professional career with Chithira graphics. It was an extremely good experience where I learned design skills in graphics (Print media).
